Dear Potential Donor/Sponsor,

I hope this letter finds you well. As a valued member of our community, you understand the importance of creating vibrant spaces for families to come together and enjoy quality time outdoors. We are excited to share news about an upcoming project that will enhance Winthrop's recreational offerings and foster community bonds—the construction of a brand-new Splash Pad! Our vision for the Splash Pad is to provide a safe and engaging water play area for children of all ages and abilities, creating a focal point for families to gather, socialize, and build lasting memories. The project has garnered widespread support from local families, businesses, and community leaders, and we believe it will be a valuable addition to our town.

However, turning this vision into reality requires the support of generous individuals, organizations, and businesses like yours. We invite you to consider becoming a sponsor for the Winthrop Splash Pad project. Your sponsorship will not only contribute to the development of a fantastic recreational space but will also showcase your commitment to the well-being and happiness of our community.

As a sponsor, you will receive recognition on signage at the Splash Pad and acknowledgment during our opening event. Moreover, your support will be instrumental in bringing this exciting addition to Winthrop's residents.

We understand that budget planning for fiscal year 2025 is around the corner, and we hope that you will consider allocating a portion of your budget to support the Winthrop Splash Pad project. Contributions of any amount will help us inch closer to our fundraising goal. Upon donating, you will receive a tax-deductible receipt, either at the city office or mailed directly to you.

Ready to move Winthrop’s Park system forward? With your help, we can make continual improvements to the park and create civic pride for future generations. We can’t wait to dip our toes in Winthrop’s New Splash Pad!

Attached, you will find our tier system and options to meet with us to discuss this opportunity further.

Thank you for considering this opportunity to support the Winthrop Splash Pad project. Together, we can create a lasting impact on our community and provide a wonderful space for generations to come.

Warm regards,

Friends of the Winthrop MN City Park Improvements
