ADJUSTMENT REQUEST REQUIREMENTS

- Only the legal property owner or an authorized person designated by the property owner may request an adjustment.
- Adjustment requests must be submitted within sixty (60) days of the bill being issued.
- No more than two (2) consecutive bills are eligible for an adjustment for interior/situational usage or an underground leak.
- No leak adjustments will be granted if the property has an active leak or the known leak has not been repaired.

ADJUSTMENT REQUEST TYPES CONSIDERED

- **Interior/Situational Usage Adjustment:** This is for water loss typically associated with interior plumbing (e.g., appliances, interior fixtures, etc.) water loss in which the water loss returns to the sanitary sewer system. Property owners may only be granted an interior/situational usage adjustment at a property once every three (3) years.
- **Underground Leak Adjustment:** This is for water loss typically associated with underground pipe ruptures in which the water loss does NOT return into the sanitary sewer system. A receipt from a certified plumber is required to be submitted. The receipt must contain the date of the repair, type of repair, and indicate repair was completed. If water consumption data is available, data must support repair receipts. Property owners may only be granted an underground leak adjustment at a property once every two (2) years.

ADJUSTMENT TYPES NOT CONSIDERED

- **Theft or Vandalism:** Water loss due to theft or vandalism will not be considered for adjustment and is the property owner's responsibility.
